ASSUMPTION ACADEMY STUDENTS SUPPORT CHILDHOOD CANCER

By raising more than six hundred dollars in just three hours

Broadview Heights, Ohio – August 16, 2018– More than 50 Assumption Academy students gathered weeks before school started to host a lemonade stand on Friday, August 10th with all proceeds benefiting Alex’s Lemonade Stand Foundation, a national foundation that raises funds to support families affected by childhood cancer.

“I am so proud of our students and the school community for working together to support this cause,” Said Father Justin Dyrwal, Pastor at Church of the Assumption. “We can always count on our parish and school families to pull together when called to action to support our community near and far.”

The students participated in a special program sponsored by Fox8 Fox Trot Run and were featured live during the newscasts between 4pm – 7pm. The students raised a total of \$632.01.

“The students worked hard to make signs, mix the lemonade and didn’t hesitate to be on camera to spread the word about our cause,” said William DiBacco, Principal at Assumption Academy. “We have many talented students with gifts to share and maybe even a few budding broadcasters too!”
