iPad Acceptable Use Policy

2019-2020

Saint Albert the Great at Assumption Academy has purchased an Apple iPad for sixth, seventh and eighth grade students' use for the current school year. The student will be issued an iPad with predetermined applications (Apps) installed.

Sixth, seventh and eighth grade students and their parents are required to review this document, as well as sign the accompanying agreement to protect the hardware and software inherent with this technology.

Technology resources at Saint Albert the Great at Assumption Academy are provided for the purpose of supporting the educational mission of the school. The school's goal in providing the iPad is to promote educational excellence: by facilitating resource sharing, innovation, research, creativity, communication, increased productivity and mobile learning.

Use of these technologies is a privilege that carries responsibility and behavioral expectations consistent with all school rules and policies, including but not limited to those stated in the Parent-Student School Handbook. It is understood that members of the Saint Albert the Great at Assumption Academy community will use all types of computing devices and the School's network in a responsible, ethical and legal manner at all times.

Saint Albert the Great at Assumption Academy retains sole right of possession of the iPad and related equipment. The iPad will be issued to students according to the guidelines set forth in this document. Saint Albert the Great at Assumption Academy retains the right to collect and/or inspect the iPad at any time, and to alter, add, or delete installed software or hardware.

1. iPads

1.1 Receiving your iPad

iPads will be distributed at the beginning of the school year during "iPad Orientation." Parents and students must sign and return the iPad Acceptable Use Policy, the Student Pledge for iPad Use documents, and have paid the technology fee (included with registration fee) before the iPad can be issued to their child.

1.2 iPad Check-In

iPads will be returned during the final week of school.

Students who transfer, withdraw, are suspended or expelled from Saint Albert the Great at Assumption Academy during the school year must surrender the iPad upon termination of enrollment.

1.3 Check-In Fines

If a student fails to return the iPad at the end of the school year or upon termination of enrollment at Saint Albert the Great at Assumption Academy, the student will be responsible for the current replacement cost of the iPad. Furthermore, the student will be responsible for any damage to the iPad, consistent with the School's iPad Protection Plan. The student will be charged a fee for any needed repairs, not to exceed the replacement cost of the iPad.

If a student fails to return the iPad or pay the replacement costs, that student will be subject to criminal prosecution or civil liability.

2. Taking Care of your iPad

Students are responsible for the general care of the iPad they have been issued by the school. iPads that are broken or fail to work properly must be taken to the Technology Department for an evaluation of the equipment.

2.1 General Precautions

1. The iPad is school property and all users will follow this policy and the Saint Albert the Great at Assumption Academy Acceptable Use Policy for Technology.

2. Cords and cables must be inserted carefully into the iPad to prevent damage.

3. iPads must remain free of any writing, drawing, stickers, or labels that are not the property of Saint Albert the Great at Assumption Academy.

4. iPads must never be left in an unlocked locker, unlocked car, school cubby or any unsupervised area.

5. Students may not use "skins" to "personalize" their iPads.

2.2 Carrying iPads

The protective cases provided with the iPads have sufficient padding to protect the iPad from normal treatment and provide a suitable means for carrying the device within the school. The guidelines below should be followed:

1. iPads should always be within the protective iPad case when carried.
2. Avoid placing too much pressure and/or weight (such as folders and workbooks) on the iPad screen.

2.3 Screen Care

The iPad screens can be damaged if subjected to rough treatment. The screens are particularly sensitive to damage from excessive pressure on the screen.

1. Do not lean on the top of the iPad when it is closed.
2. Do not place anything near the iPad that could put pressure on the screen.
3. Do not place anything in the carrying case that will press against the cover.
4. Clean the screen with a soft, dry cloth or anti-static cloth; no cleaners of any type.

5. Do not “bump” the iPad against lockers, walls, car doors, floors, etc. as it will eventually break the screen.

3. Using your iPad at School

iPads are intended for use at school each day. In addition to teacher expectations for iPad use, school messages, announcements, planners, calendars and schedules may be accessed using the iPad. Students must be responsible to bring their iPad, **fully charged**, to all classes, unless specifically instructed not to do so by their teacher.

Students who repeatedly (three or more times a quarter) fail to bring their iPad to school or maintain a fully charged battery will lose the privilege of the iPad for a time to be determined by the principal.

3.1 iPads Left at Home

If students leave their iPads at home, they are responsible for getting the course work completed as if they had their iPad present. Loaner iPads will not be available to students who forgot to bring their iPad to school or failed to charge it.

3.2 iPad Undergoing Repair

Loaner iPads may be issued to students when their assigned iPads have been sent for repair.

3.3 Charging your iPad's Battery

iPads must be brought to school each day in a **fully charged** condition. Students need to charge their iPads each evening. This may take up to **5 hours to fully charge** the iPad.

3.4 Passwords

iPads will be password protected. During orientation, each student will be given a password. This password will be kept on record with the technology department and may not be changed without school permission. Students are prohibited from sharing this password with anyone else except their parents.

Saint Albert the Great at Assumption Academy will provide a password to each student for their email account. This password may not be changed by the student.

3.5 Wallpaper

A standard wallpaper will be preset on the iPad lock screen and may not be changed by the student. Students may select a school appropriate picture/wallpaper for their home screen.

3.6 Photos

Photo/image storage on the iPad will be for school projects only. Storage of student personal photos or downloaded images is not allowed.

3.7 Sound, Music, Games or Programs

1. Students may not download music from iTunes or any other music sharing site unless directed by or with the permission of a teacher.

2. Music is only allowed on the iPad if provided by the teacher for educational use.
3. Sound must be muted at all times unless permission is obtained from the teacher for instructional purposes. Earphones will be provided by the school. Replacement earphones, if necessary, must be provided by the student's parents.
4. Non-educational games are not allowed on the iPads.
5. The device can only be synced with a school provided iTunes account by the school.

3.8 Printing

Printing will be available with the iPad. Students will be given information and instruction on printing with the iPad at school.

3.9 Home Internet Access

Students are allowed to set up wireless networks on their iPads to assist them with iPad use while at home. Printing at home will require a wireless printer, proper settings on the iPad and the correct app.

4. Managing your Files and Saving your Work

4.1 Saving Work to Google Docs

It is the student's responsibility to ensure that work is not lost due to mechanical failure or accidental deletion. iPad malfunctions are not an acceptable excuse for not submitting work; therefore, students should back up all work.

4.2 Network Connectivity

Saint Albert the Great at Assumption Academy makes no guarantee that the school wireless network will be up and running 100% of the time.

5. Software on iPads

5.1 Originally Installed Software

Saint Albert the Great at Assumption Academy will synchronize the iPads to contain the necessary Apps for school work. Students **will not** synchronize iPads or add Apps through a personal iTunes account. The software/Apps originally installed by Saint Albert the Great at Assumption Academy must remain on the iPad in usable condition and be easily accessible at all times.

From time to time the school may add or modify software applications for use in a particular course.

Periodic checks of iPads will be made to ensure that students have not removed required Apps and/or synced to a personal iTunes account.

5.2 Inspection

Students may be selected at random to provide their iPad for inspection.

5.3 Procedure for Re-Loading Software

If technical difficulties occur or illegal software (non-Saint Albert the Great at Assumption Academy iTunes Apps) is discovered, the iPad will be restored from backup. The school does not accept responsibility for the loss of any software or documents deleted due to a reformat and re-image. In this event, the student may lose the privilege of iPad use.

5.4 Software Upgrades

Upgrade versions of licensed software/Apps are available from time to time. Students may be required to update their iPads at home. Upgrades are only to be done when instructed by school staff.

6. Acceptable Use

The use of the Saint Albert the Great at Assumption Academy technology resources is a privilege, not a right. The privilege of using the technology resources provided by the school is not transferrable or extendible by students to people or groups outside the school and terminates when a student is no longer enrolled in the school.

This policy is provided to make sure all users are aware of the responsibilities associated with efficient, ethical, and lawful use of technology resources. If a person violates any of the User Terms and Conditions named in this policy, privileges may be terminated, access to the school's technology resources may be denied, and the appropriate disciplinary action shall be applied. The Saint Albert the Great at Assumption Academy Acceptable Use Policy shall be applied to student infractions.

Violations may result in disciplinary action up to and including suspension/expulsion for students. When applicable, law enforcement agencies may be involved.

Use of any information obtained via Saint Albert the Great at Assumption Academy specifically denies any responsibility for the accuracy or quality of information obtained through its services.
4. Help Saint Albert the Great at Assumption Academy protect our computer system/device by contacting an administrator about any security problems they may encounter.

Students will be held responsible for maintaining their individual iPads and keeping them in good working order.

iPad batteries must be charged and ready for school each day.

Only labels or stickers approved by Saint Albert the Great at Assumption Academy may be applied to the iPad.

iPad cases furnished by the school must be returned with only normal wear and no alterations to avoid paying a replacement fee.

iPad earphones should be stored in a way to prevent them from being tangled rather than put directly in a pencil pouch.

iPads that malfunction or are damaged must be reported to the School Office. The school will be responsible for repairing iPads that malfunction.

iPads that have been damaged from student misuse, neglect or are accidentally damaged will be repaired with insurance deductible cost being borne by the student. Students will be responsible for the entire cost of repairs to iPads that are damaged intentionally.

iPads that are stolen must be reported immediately to the School Office and the Police Department.

6.7 Student Discipline

The school's disciplinary code applies if the student threatens, bullies or defames the school.

If a student violates any part of the above policy, he/she will be put on the following disciplinary steps:

1st Offense – Student(s) will check-in/check-out their iPads from the School Office daily for one week.
